

International Online Congress Spine & Rehabilitation 2017

Saturday, 21st of October 2017

The Congress available online in live streaming all over the world

The Congress has been endorsed by the ISPRM Education committee
and the ESPRM Endorsement committee

ESPRM
European Society of
Physical & Rehabilitation Medicine

After twelve years of a successful event held in Italy since 2005, now it is an international event available in streaming open to all professionals in the world interested in the new concepts of the evidence based rehabilitative approach to spinal diseases. It will be held on the 21st of October, 2017

**20% discount on the official fees adding
the code ESPRM 2017 or ISPRM 2017 in the submission form notes**

**80% discount on the official fees adding the code ISPRM 2017 in the
submission form notes, for Low and Lower-Middle Income Countries**
