INVITATION

On behalf of the Scientific Committee and organizer of International Multidisciplinary Conference, titled '*Rehabilitation Yesterday Today Tomorrow*', 19-20 October 2018, we have the pleasure of inviting you to participate and present a lecture at the conference. This momentous scientific event is organized in time to celebrate the 10th anniversary of the establishment of both the Department and the Clinic of Rehabilitation at the University of Warmia and Mazury in Olsztyn. It will be held in historical venue – Hotel Krasicki in Lidzbark Warmiński, Poland.

Rehabilitation is an interdisciplinary field and develops very dynamic in the last decades. Taking on the challenge of organizing an international scientific event, we aim to integrate specialists in various fields of medicine, whose work contributes to raising the rehabilitation. Invited lecturers from Poland, Europe, Israel and the United States of America will present current knowledge, their own experience and directions in the development of neurosurgery, neurorehabilitation and physiotherapy. We expect about 200 participants - specialists in various fields of medicine and physiotherapy. The event will be held under the auspices of the Marshal of Warmia and Mazury.

Prof. Ireneusz M. Kowalski MD, PhD

Head of Department

The Department of Rehabilitation was established by the decision of the Faculty of Medical Sciences and Senate of the University of Warmia and Mazury in Olsztyn - Resolution No. 17 of 16 June 2008. Within its organizational structure a Rehabilitation Clinic has been established with a Rehabilitation Outpatient Clinic.

The Department deals with the education of students in the field of medical rehabilitation and the implementation of other medical subjects in the fields of medicine, nursing, medical rescue and nutrition.

The Rehabilitation Clinic provides services in the field of orthopedic and neurological rehabilitation in the stationary (25 beds), day-stay and outpatient clinics.

TO SPONSORS

On behalf of the Scientific Committee and organizer of International Multidisciplinary Conference, titled '*Rehabilitation Yesterday Today Tomorrow*', 19-20 October 2018, we have the pleasure of inviting you to participate and present a lecture at the conference. This momentous scientific event is organized in time to celebrate the 10th anniversary of the establishment of both the Department and the Clinic of Rehabilitation at the University of Warmia and Mazury in Olsztyn. It will be held in historical venue – Hotel Krasicki in Lidzbark Warmiński, Poland.

Rehabilitation is a multidisciplinary specialty and over the last few decades it has progressed rapidly. Whilst taking up the challenge of organizing this international scientific event we aim to integrate experts among numerous fields of medicine, who are committed to improve the quality of rehabilitation delivered. Invited lecturers from Poland, Europe, Israel, and the USA will present up-to-date knowledge, own experiences and further development direction in spinal surgery, neurosurgery, neurorehabilitation, and physiotherapy.

We aim to host about 200 participants, consultants in different fields of medicine and physiotherapy. The event is patronized by Warmia and Mazury Voivodeship Marshal. All of our sponsors, supporting individuals and companies will be granted with the access to the projector in between the lectures when logos, commercial and conference materials can be displayed.
